

Istanbul, November 10th, 2025

Dear Customer,

The Bucci Industries Group is proud to announce the establishment of its new subsidiary in Turkey: Bucci Industries Turkey Otomasyon Makina A.Ş.

This strategic investment reflects our commitment to being closer to you and to the Turkish market. Our objective is to respond more promptly to your needs and to the evolving challenges of the industry. We will continue to invest in our local organization and strengthen our support capabilities throughout the region.

Established in 2024, the new company headquartered in Istanbul and led by General Manager Mr. Michele Bardi is responsible for the Iemca, Giuliani, Sinteco, Vire and Zeta brands.
